Program Highlights

- Summer Scholars: Club members will take part in fun and engaging programming that prevents summer learning loss. Members will be given the opportunity to participate in fun, high-yield learning activities, S.T.E.M. (science, technology, engineering, and math) activities and field trips. For those that find a passion in S.T.E.M., they will have the opportunity to present their projects at our end of the summer showcase.
- Artists of Tomorrow: Club members will be exposed to different mediums of art (fine arts, cultural arts, dramatic arts, musical arts, etc.) and have the opportunity to create works individually and/or in groups that may be shown at our end of the summer showcase.
- Living Healthy: Club members will partake in a variety of social recreation activities and healthy lifestyle activities to better understand what it means to live a healthy life.
- Recreational Swim: Club members will have the opportunity to go swimming once a week (1:30p-3:30p). Club members, ages 5-7 will go swimming on Mondays, ages 8-9 will go swimming on Tuesdays and ages 10-11 will go swimming on Thursdays.
- Willow Creek Farm Visits: Club members will experience firsthand what it is like to live on a farm a variety of animals.
- Summer Guest Speakers: Over the course of our summer camp, a variety of members in the Champaign County area will visit the Club and share their experiences and resources with our Club members. This will be an opportunity for our Club members to recognize the fun, engaging and impactful resources the community has to offer.
