Give the  
gift  
of a  
GREAT  
FUTURE.

## The Holiday season is special for many reasons.

It's a season for giving and a season of gratitude for the blessings we have received. We hope that your Holiday giving plans will include the kids here at Don Moyer Boys & Girls Club. Our staff and volunteers are grateful for the wonderful year of growth and change for our Kids and here at the Club.

With your help, we can continue the spirit of giving and gratitude, not just for the Holidays, but throughout the year. Our work of "[Opening Doors To A Brighter Future](#)" for the over 500 Kids who come through our doors, is filled with giving, after school academic support, positive adult mentors, recreation activities, cultural and character building activities, and just giving a safe place to hang out when there is no place else to go.

As you consider your Holiday giving, please include Don Moyer Boys & Girls Club in your plans. With your support, the "Holiday Spirit" of giving will last throughout the year for our Kids and you can enjoy the gratitude of helping Kids who need us most, grow into productive, caring, responsible citizens. May the joy of the season touch your life, the way your generosity touches ours!

Happy Holidays to you and yours,

**Sam Banks**  
Executive Director
