Dear Friends,

For some kids, summer is a time when academic gains from the school year are lost and opportunities to explore the world of museums, participate in fun and engaging activities, or just go swimming and play at a safe local park don’t happen. At Don Moyer Boys & Girls Club, we provide these opportunities, and much more, to the kids and families in our community who need us most.

The Theme for our 2016 Summer Program is our community who need us most.

With your support, our Summer Camp will be able to:

- Serve 160 registered youth, ages 6 to 15
- Supervise and serve 50 teens during our evening Teen Night programming
- Offer breakfast, lunch and daily snack for each youth
- Provide caring adult volunteers to work along with program staff to guide and mentor youth.

Will help provide an extensive list of summer activities and opportunities that include:

⇒ Swimming at local water parks
⇒ Trip to Chicago White Sox Baseball Game
⇒ Attending Teen Leadership Conferences at Eastern Illinois University
⇒ Special Trip to Six Flags—St. Louis
⇒ And Much More!!!!
